THE SUPER COOL COLOURING BOOK – AGES 2+ YEARS

- Introduces familiar objects to support early learning.
- Develops fine motor skills while improving hand-eye coordination.
- Builds early colouring skills and pencil control.
- Encourages creativity and imagination.
- Strengthens focus and concentration.

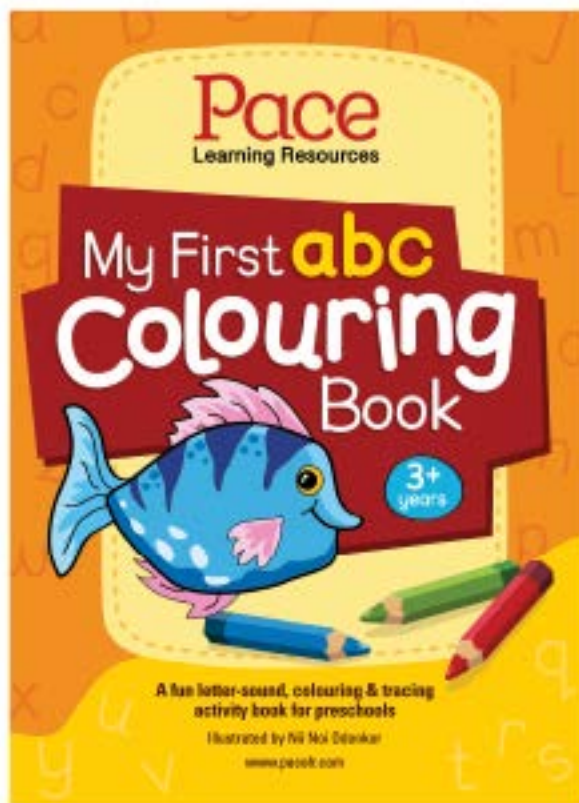

ANIMALS – COLOUR ME – AGES 2+ YEARS

- Builds early vocabulary and recognition of common animals.
- Develops fine motor skills, pencil control and hand-eye coordination.
- Encourages creativity, confidence and independent learning.
- Improves focus, concentration and memory skills through colouring and the insert DIY matching game.
- Provides fun, hands-on learning through play.

MY FIRST 123 COLOURING BOOK – AGES 3+ YEARS

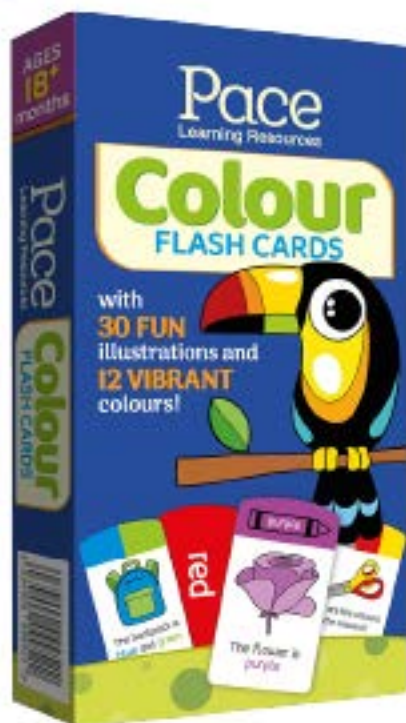

- Packed with fun activities that support number identification and counting.
- Encourages focus, confidence and independent learning.
- Strengthens fine motor skills, pencil control and hand-eye coordination.
- Develops number recognition and early counting skills.

MY FIRST abc COLOURING BOOK – AGES 3+ YEARS

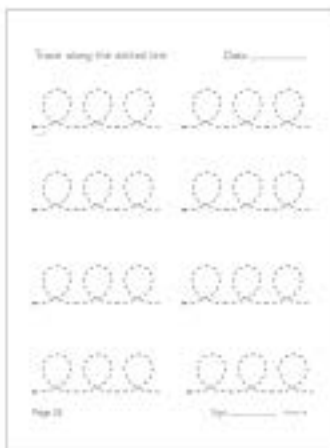

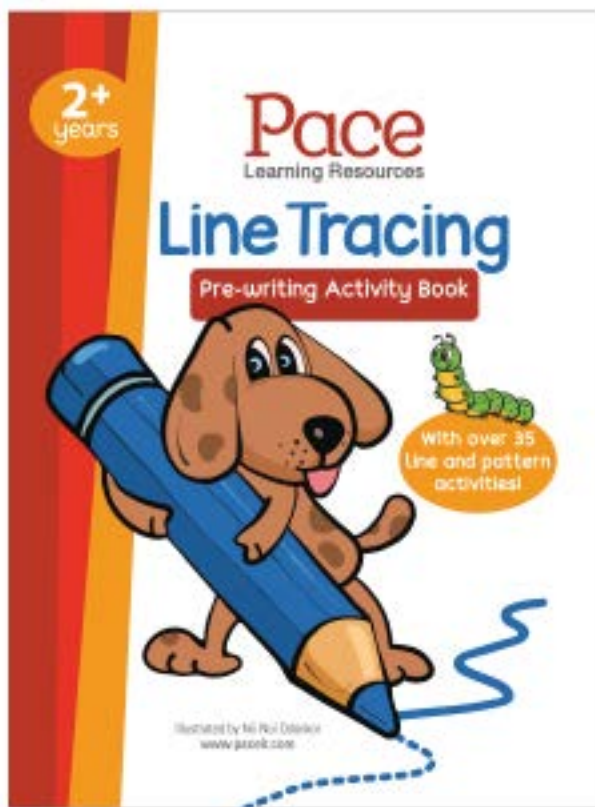

- Builds letter recognition and early phonics awareness through a–z sounds.
- Supports early literacy development and letter formation skills.
- Develops fine motor skills, pencil control and hand-eye coordination through tracing, writing and colouring.
- Encourages confidence, focus and independent learning.

COLOURING ACTIVITIES

COLOUR FLASH CARDS – AGES 18+ MONTHS

- Supports interactive learning between children and parents.
- Builds colour recognition through vibrant illustrations and engaging activities.
- Develops early vocabulary, language skills and sentence understanding.
- Encourages observation, thinking and communication through guided questions.
- Makes early learning fun through hands-on exploration.

LINE TRACING (PREWRITING ACTIVITY BOOK) – AGES 2+ YEARS

- Develops pre-writing skills through basic strokes, patterns and tracing activities.
- Strengthens pencil control, fine motor skills and hand-eye coordination.
- Builds confidence and readiness for writing letters, numbers and shapes.
- Encourages focus, coordination and independent learning through

SHAPE TRACING (PREWRITING ACTIVITY BOOK) – AGES 3-4 YEARS

- Builds confidence and readiness for writing through progressive practice.
- Develops shape recognition and pre-writing skills through guided tracing activities.
- Strengthens pencil control, fine motor skills and hand-eye coordination.
- Keeps learning fun and engaging with exciting shape-based tracing

NUMBER TRACING (PREWRITING ACTIVITY BOOK) – AGES 3-4 YEARS

- Develops number recognition and correct number formation through guided tracing.
- Strengthens pencil control, fine motor skills and hand-eye coordination.
- Builds confidence and readiness for early numeracy.
- Makes learning enjoyable through fun, hands-on tracing activities.

LOWERCASE LETTER TRACING (PREWRITING ACTIVITY BOOK) – 3-4 YEARS

- Develops lowercase letter recognition and correct letter formation.
- Strengthens pencil control, fine motor skills and hand-eye coordination.
- Builds confidence and readiness for early numeracy.
- Makes learning enjoyable through fun, guided tracing activities.

LETTER TRACING

UPPERCASE PRE-WRITING ACTIVITY BOOK

UPPERCASE LETTER TRACING (PREWRITING ACTIVITY BOOK) – 3-4 YEARS

- Introduces children to uppercase letters and supports correct letter formation.
- Enhances handwriting readiness through guided tracing practice.
- Improves grip strength, pencil confidence and controlled movements.
- Reinforces letter recognition and identification in a fun, interactive way.

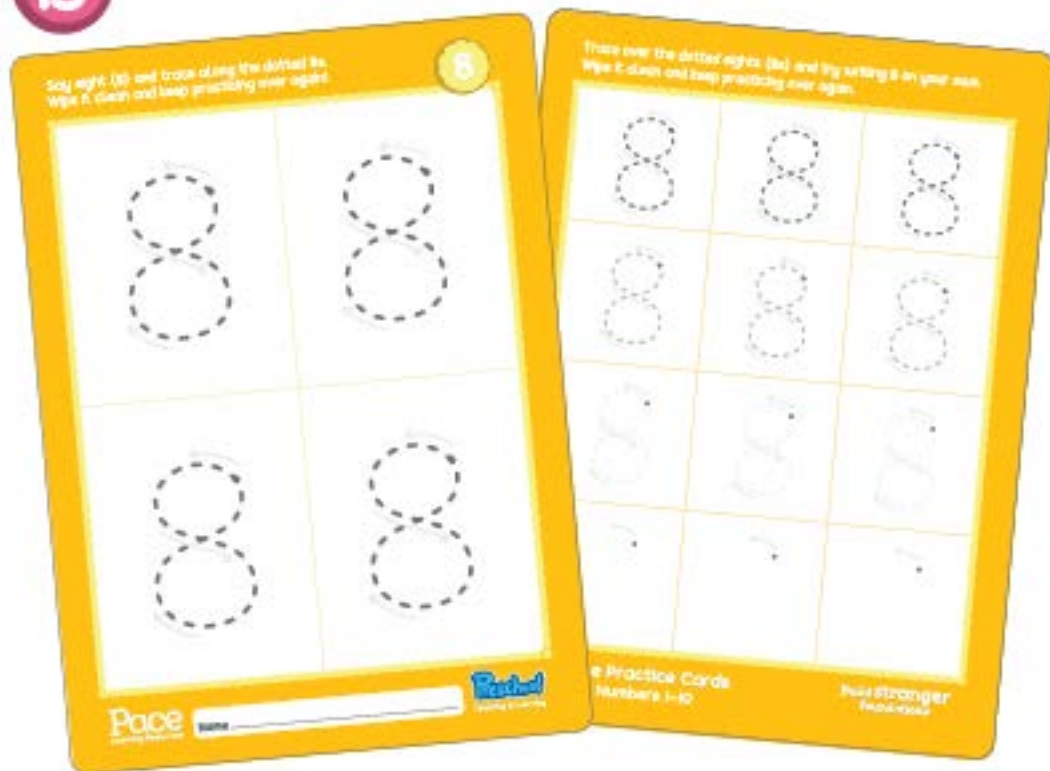

ERASABLE PATTERN PRACTICE CARDS – AGES 2+ YEARS

- Builds pre-writing readiness through progressive line and pattern tracing activities.
- Develops fine motor skills, pencil control and confident hand movements.
- Encourages repeated practice with reusable, wipe-clean cards.
- Supports parent- or teacher-led learning with bonus language cues.
- Includes dry-erase markers and cleaning dusters for convenient daily use.

ERASABLE LETTER PRACTICE CARDS – AGES 2+ YEARS

- Encourages repeated practice with reusable, wipe-clean cards.
- Includes dry-erase markers and cleaning dusters for convenient, mess-free learning.
- Builds confident letter formation through progressive tracing from guided to independent writing.
- Reinforces letter recognition while developing early handwriting skills.
- Strengthens pencil control, coordination and writing confidence.

ERASABLE NUMBER PRACTICE CARDS – AGES 2+ YEARS

- Builds confident number formation and recognition through progressive tracing activities.
- Develops pencil control, coordination and early numeracy skills.
- Encourages repeated daily practice with reusable, wipe-clean cards.
- Promotes independent learning through step-by-step writing progression.
- Includes a summary practice card, dry-erase markers and cleaning dusters

PHONICS ACTIVITY BOOK A – AGES 3+ YEARS

- Builds strong phonics foundations by connecting letters with their sounds.
- Develops early reading, writing and word recognition skills through engaging activities.
- Encourages active learning with colouring, sounding, reading and writing exercises.
- Builds confidence and prepares children for independent literacy.

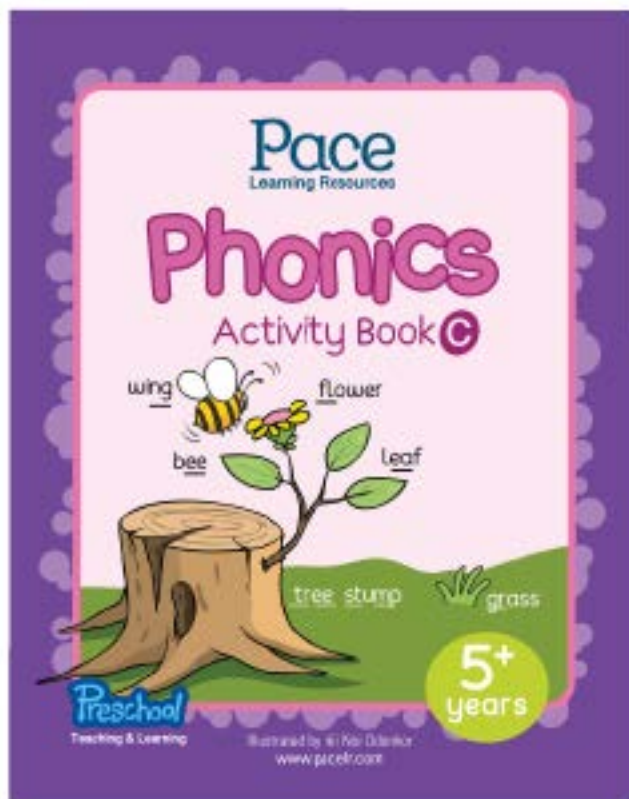

PHONICS ACTIVITIES

PHONICS ACTIVITY BOOK B – AGES 4+ YEARS

- Strengthens phonics knowledge through progressive, age-appropriate activities.
- Develops early reading, spelling and word-building skills.
- Reinforces letter sounds and promotes confident word recognition, writing exercises.
- Builds confidence and fluency in early literacy through engaging practice.

Match the living word.

Write the words in the left box, depending on the right the pronunciation of the words and draw lines to connect the words with the corresponding picture.

sand	
bank	
damp	
sing	
rent	
shaft	
felt	

Page 10
www.pace.com

Identify the beginning and end of the words.

Write the words in the left box, depending on the right the pronunciation of the words and draw lines to connect the words with the corresponding picture.

star	horse	mermaid
park	farm	fern
car	lion	germ
dark	spout	farm
horn	shore	tomato

Write the words in the left box, depending on the right the pronunciation of the words and draw lines to connect the words with the corresponding picture.

I see a farm with a barn. The barn has corn in it. There are acres in the corn.
I see a garden. There is a corn in the garden.
The corn has farms in it.

bin

nut

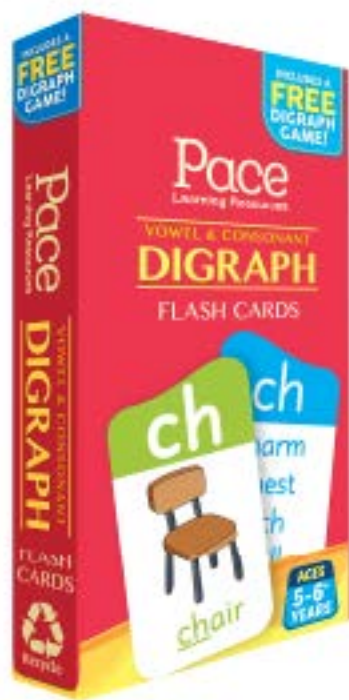

CVC – SHORT VOWEL SOUNDS – AGES 3–4 YEARS

- Builds early reading confidence through structured CVC word blending practice.
- Develops understanding of short vowel sounds and letter-sound relationships.
- Strengthens word recognition and comprehension through supportive illustrations.
- Encourages independent reading skills through gradual, phonics-based learning.

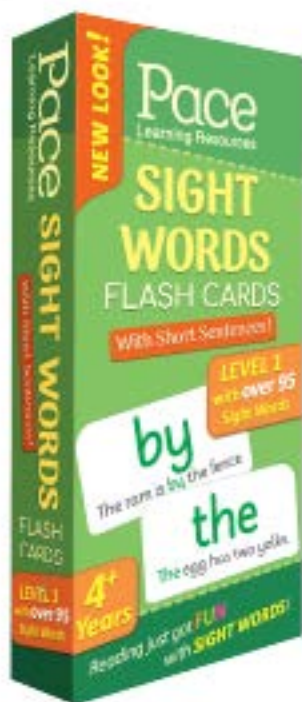

CONSONANT BLENDS FLASH CARDS – AGES 5-6+ YEARS

- Develops confident blending skills through introduction to 25 beginning consonant blends.
- Expands vocabulary and word recognition through illustrated examples and word practice.
- Strengthens phonics understanding by connecting sounds, letters and words.
- Supports guided learning with Parent/Teacher reinforcement activities.

VOWEL & CONSONANT DIGRAPH FLASH CARDS – AGES 5-6+ YEARS

- Advances phonics skills by introducing 27+ beginning digraph sounds.
- Develops sound recognition and word-building skills through engaging examples and practice.
- Expands vocabulary and strengthens reading confidence through illustrated learning.
- Supports guided reinforcement with Parent/Teacher activities and hands-on practice.

the

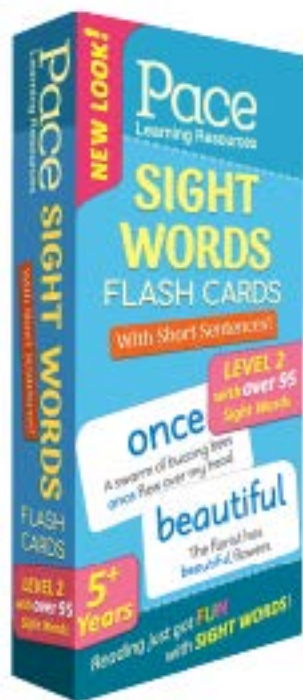

The egg has two yolks

use

The new girl will use my desk.

SIGHT WORDS LEVEL 1 FLASH CARDS – AGES 4+ YEARS

- Builds recognition of over 95 common sight words to support early reading.
- Improves reading fluency and confidence through repeated word exposure.
- Encourages understanding and usage of words within simple sentence contexts.
- Supports independent reading by helping children recognise frequently used words.

these

More than half of **these** tomatoes are badly rotten.

once

A swarm of buzzing bees **once** flew over my head.

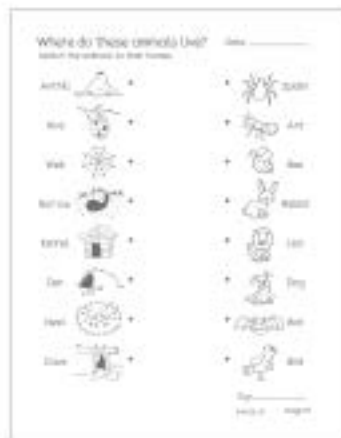

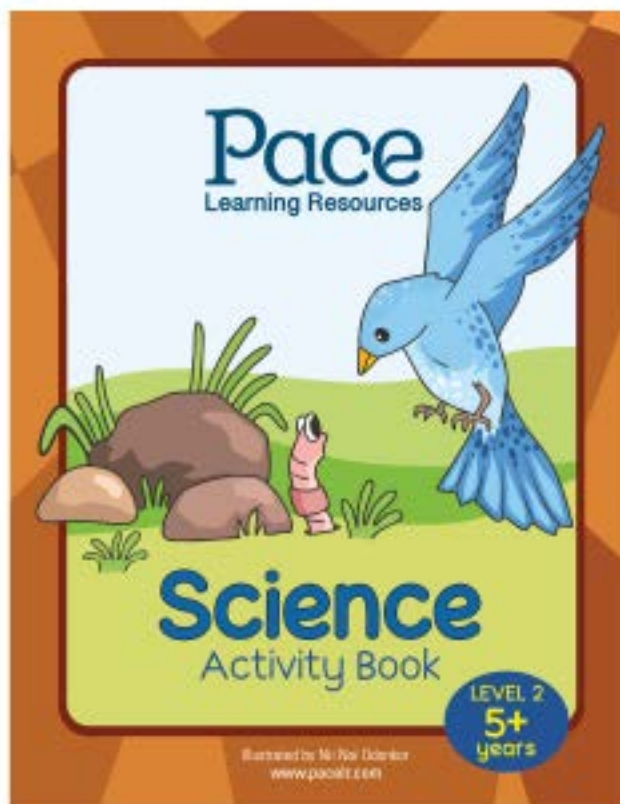

SIGHT WORDS LEVEL 2 FLASH CARDS – 5+ YEARS

- Extends sight word recognition with 95+ more advanced words for developing readers.
- Strengthens reading fluency and confidence through repeated practice.
- Supports understanding and use of tricky words within simple sentence contexts.
- Builds independent reading skills by improving word familiarity beyond phonics decoding.

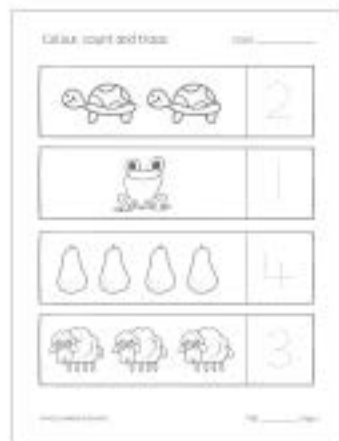

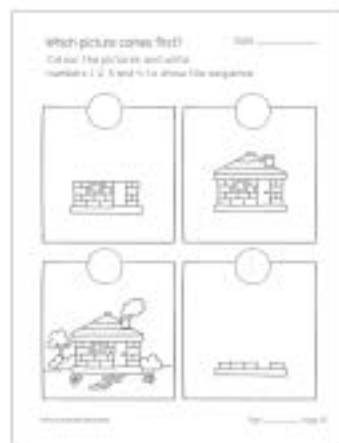

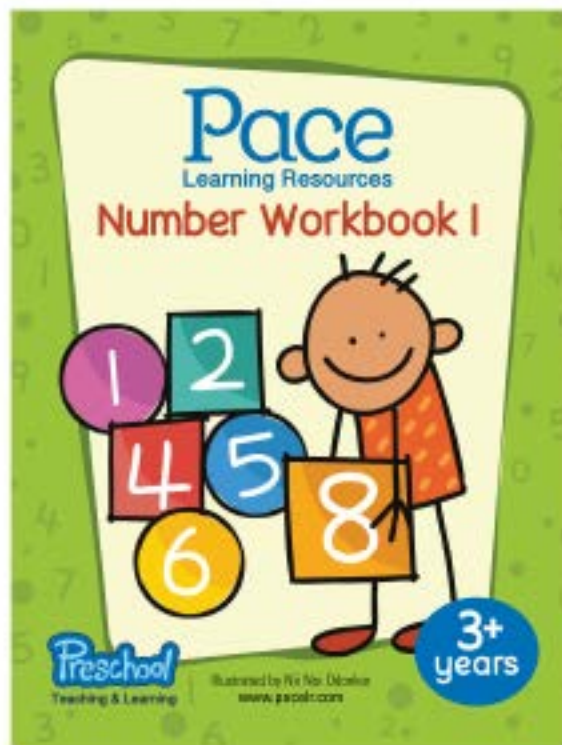

SCIENCE LEVEL 1 ACTIVITY BOOK – 4+ YEARS

- Introduces early science concepts through fun, age-appropriate activities.
- Encourages curiosity, observation and exploration of the world around them.
- Develops early scientific thinking and understanding through hands-on learning.
- Builds confidence in asking questions, discovering and making connections.

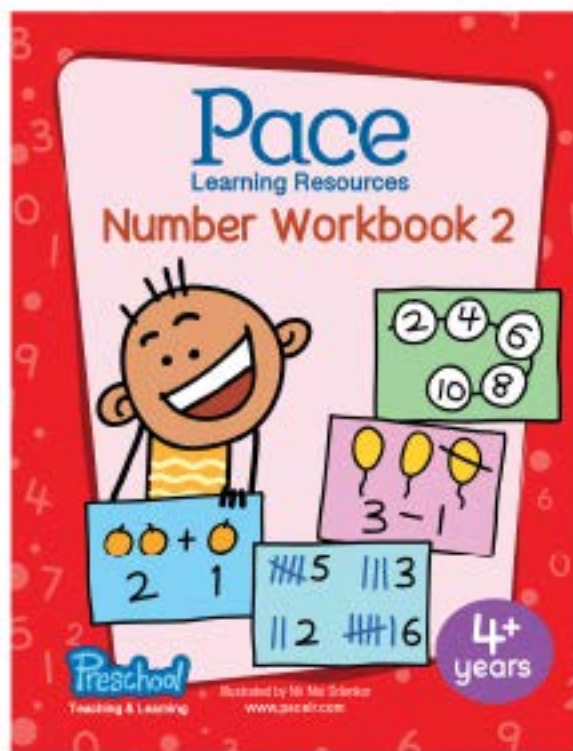

SCIENCE LEVEL 2 ACTIVITY BOOK – 5+ YEARS

- Builds on foundational science concepts through engaging, age-appropriate activities.
- Strengthens observation, critical thinking and scientific understanding.
- Encourages curiosity, discussion and exploration with guided activity notes.
- Supports deeper learning through parent- and teacher-led interactions.

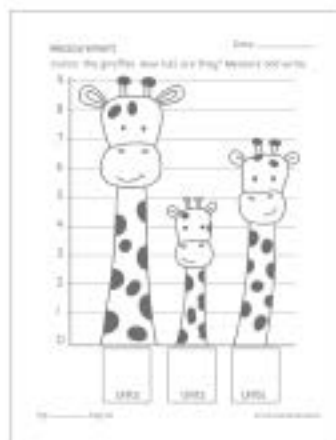

NUMBER WORKBOOK 1 – 3+ YEARS

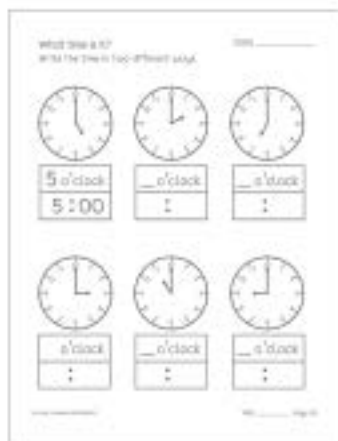

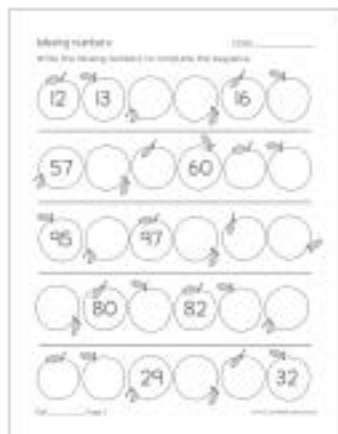

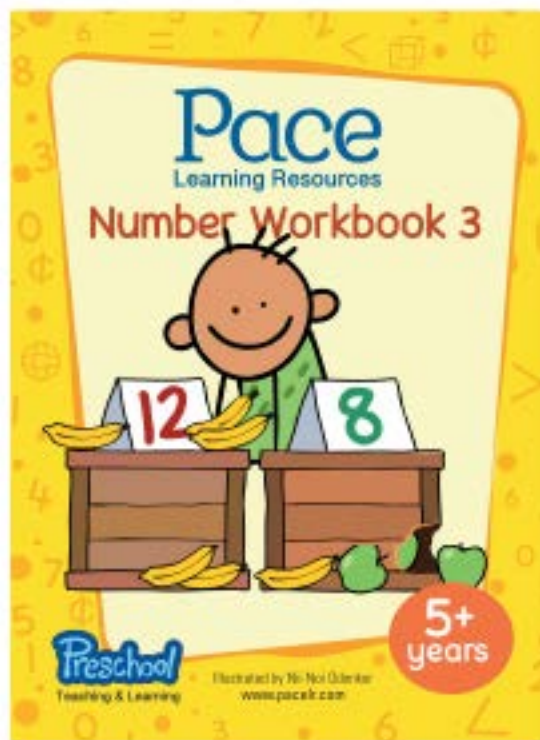

- Builds early numeracy skills through number recognition, counting and matching activities.
- Develops understanding of shapes, sizes, comparisons and basic mathematical concepts.
- Strengthens pencil control, hand-eye coordination and number writing confidence.
- Encourages problem-solving and independent learning through engaging activities.

NUMBER WORKBOOK 2 – 4+ YEARS

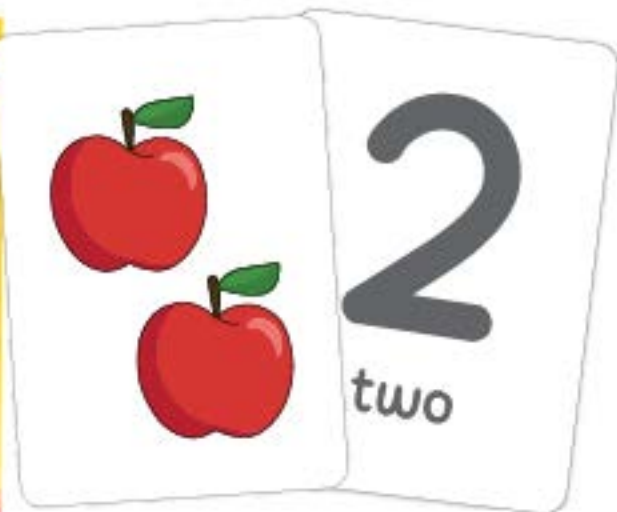

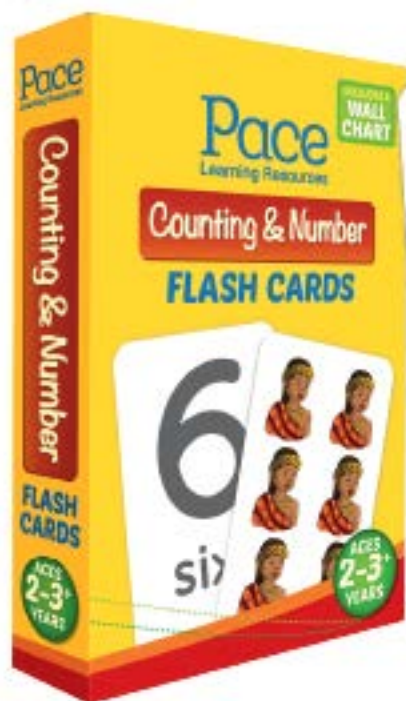

- Strengthens number recognition, sequencing and counting skills through structured practice.
- Develops early mathematical understanding through number lines, measurement and shape activities.
- Introduces basic addition and subtraction concepts in a simple, confidence-building way.
- Encourages accuracy, problem-solving and independent numeracy skills.

NUMBER WORKBOOK 3 – 5+ YEARS

- Advances numeracy skills through more complex number concepts and structured practice.
- Develops mathematical thinking through addition, subtraction, measurement and problem-solving activities.
- Builds confidence in applying concepts such as time, fractions, shapes and number relationships.
- Encourages logical reasoning and independent learning through hands-on activities.

COUNTING & NUMBER FLASH CARDS – 2-3+ YEARS

- Builds early number recognition and counting skills from 1–25 through engaging visuals.
- Strengthens understanding of quantities by connecting numerals with number names.
- Supports guided learning with Parent/Teacher activities and reinforcement ideas.
- Extends number learning beyond 25 with bonus cards up to 50 and a wall chart.
- Encourages interactive practice and confidence in early numeracy.
